

Senior ASP.NET Developer

We are “Celenia Software Ukraine Ltd.”, an international software company. We are working in close cooperation with Microsoft Dynamics - the former Microsoft Business Solutions. We are having many exciting projects in the Microsoft CRM, Microsoft Navision and Microsoft Axapta products area.

We offer a challenging career opportunity and excellent professional environment for your growth as a Senior ASP.NET Developer.

We expect you to have:

2+ years of practical experience in:

- Technologies: .NET Framework, XML Web Services, WCF, WF, WPF, ADO.NET
- Languages: C#, T-SQL, JavaScript
- Web: Silverlight, ASP.NET, SOAP, XML, HTML
- Other: MS SQL 2005/2008, Win Server 2003/2008
- Good teamwork and communication skills
- Good command of English

It would be a plus if you have:

- Practical experience in design patterns.
- Experience in reporting services, SQL reports creation
- MS CRM 4.0 knowledge.
- NUnit
- jQuery
- Install Shield

We guarantee:

- Social package (medical insurance)
- 100% paid sick leave and vacation
- Competitive salary that will be discussed at the interview
- Microsoft Certification
- Lunch Services

Catch the spirit and become the part of our professional team.
